

Educator's Discount Program Application

Chesnee Communications, A SkyBest Company, offers a special educator's discount for High-Speed Internet service* to full-time, active administrators, teachers and staff from the local public school system who reside in our Chesnee Communications service area. This discount applies to non-bundled Internet services only. All customers who choose to bundle their services with Chesnee Communications already enjoy even greater discounts.

To take advantage of this special discount please complete the form, obtain principal or superintendent approval and bring it to your local Chesnee Communications Customer Service Center for final processing. Then, you must complete the email instructions to confirm and maintain your credit. If you currently subscribe to Chesnee High-Speed Internet, you will receive the discount after the order has been processed.

** Currently Broadband service is available to a majority of Chesnee Communications customers. Please contact Chesnee Communications to confirm availability in your area. Offer limited to one discount per household and applies to employee's primary residential service only. Qualified educator must be listed as member/co-member or owner/co-owner on the credited account. Discount applies to a la carte Internet services purchased with full residential phone service. Some restrictions may apply.*
